### WORK EXPERIENCE

#### Pharmacist in Charge

Care Plus Pharmacy - Philadelphia, PA - June 2015 to Present

- Successfully helped run a chain of busy stores while keeping a personal clinical environment for customers.
- Maintained a strong relationship with doctors and their staff around the various pharmacy locations
- Trained staff on day to day operations to create efficient workflow conducive to a fast paced pharmacy environment

#### Director of Medications

Helping Hand Hospice, Inc - Philadelphia, PA - April 2012 to May 2015

- Oversaw all medication taken by Hospice patients
- Provided consultation to patients, families, and physicians to ensure quality care
- Attended bi-weekly IDT meetings for medication review
- Marketed services to nursing homes and adult assisted living facilities
- Managed hospice drug closet inventory
- Negotiated prices for medication and services from independent pharmacies

#### Pharmacy Manager

A Plus Pharmacy, Inc - Philadelphia, PA - July 2011 to February 2012

- Helped build an independent community pharmacy with all necessary elements, including setting up the computer systems, obtaining contracts with insurance plans and creating inventory flow.
- Organized a standard workflow procedure to maintain accurate patient records and vigilant patient safety in dispensing and compounding medications.
- Provided a reliable and comfortable atmosphere for the dispensing and counseling services for the patient community in Northeast Philadelphia.

#### Registered Pharmacist

Albertsons, Inc - Philadelphia, PA - June 2008 to December 2009

- Dispensed medications accurately and counseled patients on optimal therapeutic choices.
- Efficiently problem-solved patient/insurance company issues.
- Maintained a collaborative practice with physicians through stringent medication review to ensure optimal therapy for patients.
- Maintained strict oversight of inventory to maintain smooth business operation.

## **Pharmacy Technician**

Albertsons, Inc - Abington, PA - July 2005 to May 2008

- Aided the pharmacist with order entry and operational tasks within the pharmacy.
- Checked stock of medications helped maintain an inventory flow so patient orders and refills could be filled as needed.
- Provided OTC information and drug counseling to patients under the supervision of the pharmacist.

## **Pharmacy Intern**

Albertsons, Inc - Philadelphia, PA - June 2005 to May 2008

- Assisted in keeping accurate patient profile records to avoid harmful drug interactions.
- Provided drug counseling to patients under the supervision of the Pharmacist.
- Processed insurance claims and rejections.

## **Research Assistant**

Albertsons, Inc - Philadelphia, PA - September 2007 to December 2007

Preceptor: Scott Rawls, PhD

- Clinically evaluated  $\beta$ -lactam antibiotic Ceftriaxone in efficacy of attenuation of both the development of physical dependence and abstinence-induced withdrawal syndrome.
- Investigated "place preference" kinetics prior to drug and after removal of drug in closed system.
- Presented data at the end of the study to staff of my preceptor and staff pharmacologists, evaluating efficaciousness in possible clinical use.
