To obtain employment with an organization that would allow me to utilize my skills so that I can be an effective member in the completion of daily job responsibilities.

### WORK EXPERIENCE

#### Sanitation Engineer

BORO OF PENNS GROVE - June 1990 to July 2010

where my daily duties included, management of a team of six individuals. I maneuvered a wide variety of heavy duty machinery ranging from a lawn mower to a 25 yard trash truck. Weekly Safety/Recycling Reports were completed and sent in to supervisors. I was often involved in important OSHA Safety meetings, managed weekly time reports for staff, also including daily log and records of vehicle service and equipment, state chemical reports, truck retro fit. Monitored pump stations throughout the entire town. I maintained the streets, lawns, and emergency snow removal etc of borough properties. Parts of my duties were the removal of large debris after damage from storms. I also took part in the physical labor that came along with my job. I also held the title of Recycling coordinator. I held the position being On Call 24HRS for the borough Police Department in case of emergency issues. I often filled in for Supervisors on staff.

#### Shipping and Receiving

Waddington Dairy - Salem, NJ - 1989 to 1990

WADDINGTON DAIRY in the Shipping and Receiving Department daily responsibilities included loading and unloading trucks.

### EDUCATION

#### MicroSoft Office

Delaware Tech - Delaware

January 2010 to January 2011
