WORK EXPERIENCE

Staff pharmacist

Wakefern - Mount Laurel, NJ - March 2009 to Present

Duties include general staffing at a retail setting including data entry, medication verification, vaccinations, staff management and stock procurement.

Production Manager

CIGNA Tel-Drug - Horsham, PA - September 2006 to March 2009

Duties included hiring and firing, inventory control, budget forecasting, facility maintenance and enhancements, and production forecasting. I was involved in several projects, most recently:

- Represented Cigna mail order division at corporate events and meetings
- Oversaw the procurement areas, mail room, data entry and outbound calls. Duties included weekly coaching sessions, semi-annual reviews and yearly performance evaluations for each individual.
- Established a new fulfillment process utilizing the Six Sigma principles. This process balanced workload as well as increased efficiency and decreased the cost-to-fill.
- Organized company sponsored events; holiday dinners, summer barbecues, special events as well as company sponsored fund raisers; March-of-Dimes, Breast Cancer Walks, United Way.
- Headed several committees:
 - o Redesign of the Rx label and patient order forms
 - o Development of benchmarks for each assigned duty
 - o Automate receipt of customer payments

Verification Supervisor

CIGNA Tel-Drug - Horsham, PA - October 2004 to September 2006

Pharmacy Team Manager

CVS-Burlington - May 1985 to September 2004
