## WORK EXPERIENCE

### Pharmacist

Pharmacy Tech - Brooklyn, NY - January 2014 to April 2015

Perform data entry of customer prescriptions.

- Proficient in resolving insurance issues.
- Perform duties of Lead Technician by scheduling pharmacy technician work hours, process Recalled and outdated medications, and assists other pharmacy technicians with customer Service issues.
- Was recognized manager for outstanding customer service.
- Was promoted to inventory specialist after demonstrating excellent work ethic while in the workplace.
- Attention to detail, flexible with good time management skills.

### Assistant Store Manager

Philadelphia, PA - March 2012 to December 2014

Manager of sales and operations' was simply to retail store manager because of my outstanding management skills and team work abilities. I worked on the sales floor and at the same time managed inventory, cash, coaching and training my team. I was able to increase 30% more profit than before. I was doing events to attract traffic, call backs, and all different promotions on my own just to increase the sales and profit.

### Sales Associate

Cricket Wireless - Philadelphia, PA - January 2010 to March 2012

Managed sales and floor at the same time and proved myself as a very strong solution specialist. Generate sales by providing outstanding customer service, greeted the customer, attended to his/her needs and building a loyal customer base, handled cash and credit card transactions.
