WORK EXPERIENCE

Staff Pharmacist

Kennedy Memorial Hospital - Washington Township, NJ - 2011 to Present

Per Diem Pharmacist

Kennedy Memorial Hospital - Willingboro, NJ - 2011 to Present

Supports patient care by preparing medications and communicating information regarding proper medication use to patients and caregivers. Prepares medication for patients. Provides counseling for patients in regards to drug therapy, nutritional supplements, drug interactions, and side effects.

- Maintains a safe and clean workspace, ensuring compliance with state and federal regulations.
- Facilitates positive patient relationships through counseling and education on medications.
- Successfully applies medical and pharmaceutical knowledge to interpret physicians' orders, verify medication, and detect any potential issues with underlying medical conditions.

Per Diem Pharmacy Technician / Full Time Pharmacy Intern

Kennedy Memorial Hospital - Stratford, NJ - 2009 to 2010

Assisted pharmacists in monitoring and maintaining pharmacy inventory. Organized medications, filled orders and filed prescriptions. Delivered medication to pharmacists and doctors.

- Developed a working knowledge of the Siemen's System to validate physician's orders and the Computerized Physician Order Entry (CPOE) database.
- Conducted medical rounds with various departments and applied appropriate processes and procedures based on department protocols.

Hospital Pharmacist

Asyut University Hospital - 2006 to 2008

Processed, filled, and consulted on prescriptions for patients. Adhered to hospital policies of safety and communication. Monitored and organized pharmacy inventory. Collaborated with doctors to determine effective solutions for patients.

- Contributed to pharmacy efficiency by directing the workflow of orders and coaching technicians and interns on procedures.
- Provided high quality customer service to patients and doctors through timely communications, organization, and successful follow through of issues.
