### WORK EXPERIENCE

#### Engineer

Holiday Inn Express-Engineering - Philadelphia, PA - October 2006 to July 2013

October 2006 -July 2013)

When working as Engineer I'm a bilingual communicator in both English and Spanish which always made myself stand out as a popular associate. Customers would ask for me by name. They did this because I gave them such great service

that they kept coming back. In a team setting it's important to communicate in all levels to avoid all or any problems. I'm

very hands on with any task assigned. I'm experienced with beginner electrical, beginner plumbing and heavy lifting.

\*Employee Of The Quarter, 2008

\*Perfect Attendance

#### Laundry/Houseman Attendant

Holiday Inn Express-Engineering - Philadelphia, PA - October 2006 to July 2013

When Laundry/Houseman Attendant, I was a great team player and helping hand for my associates, giving them my

support to rely on me with task that are assigned.

### EDUCATION

#### Diploma in Graphic Design

Jules E. Mastbaum Area Vocational Technical High School - Philadelphia, PA

2002 to 2006

### ADDITIONAL INFORMATION

With over 7 years hospitality and engineering experience, I've been a valued associate of the Holiday Inn Express. My

experience spans working with guest making them feel comfortable and meeting their every needs in a brief amount of

time to complete guest satisfaction.
