Seeking a challenging and exciting pharmacist position to use proven work experiences, excellent communication skills, and extensive medication knowledge to deliver the best performance possible

WORK EXPERIENCE

Clinical Pharmacist

excelleRx - Philadelphia, PA - August 2012 to Present

- Providing pain consults and medication education
- Recommend appropriate symptom management therapies based on patient-specific information
- Verifying the appropriateness of medication orders

Pharmacy Intern

PENN Presbyterian Med Center - Philadelphia, PA - January 2010 to May 2012

Refilling pyxis machines

- Making sterile IV compounds
- Preparing unit-dose medications to be distributed during runs and cart exchanges
- Helping the pharmacists triage phone calls
- Using the pharmacy system to update labels for the cart exchange

Critical Care Rotation Student

CLINICALS - Norristown, PA - March 2012 to April 2012

Provided medication recommendations to the medical staff in the ICU

- Educated patients on their anticoagulant regimens
- Presented case presentations to the pharmacy staff

General Medicine Rotation Student

Montgomery Hospital - Norristown, PA - January 2012 to February 2012

Participated in multidisciplinary discussions regarding patient care with the Family Practice team

- Provided medication education to patients and their family members
- Developed a prescriber information sheet
- Presented several journal club articles and SOAP notes

Compounding Rotation Student

Professional Compounding Pharmacy - Hatboro, PA - November 2011 to December 2011

Prepared medication into various dosage forms (suppositories, lollipops, oral suspensions, creams, and capsules)

- Performed medication reconciliation for several patients in their associated retail setting

Anticoagulation Rotation Student

VA Ambulatory Care Clinic - Willow Grove, PA - October 2011 to November 2011

Made warfarin dosage changes based on INR levels and helped bridge patients from LMWH to warfarin

- Wrote assessment on VA's online charting system

- Counseled patients who wanted to be switched from warfarin to Pradaxa
- Helped with approval of non-formulary requests for prescribers

Inpatient Pharmacy Rotation Student

St. Mary's Medical Center - Langhorne, PA - September 2011 to October 2011

Performed therapeutic interchanges

- Evaluated medications entered by CPOE for accuracy

Retail Pharmacy Rotation Student

ACME Pharmacy - Doylestown, PA - August 2011 to September 2011

Performed data entry on prescriptions

- Communicated with other health care professionals and insurance companies

Medical Information Rotation Student

CSL Behring - King of Prussia, PA - July 2011 to August 2011

Presented information about the use of IgG in Alzheimer's Disease to an international audience

Home Infusion Rotation Student

Home Solutions - Horsham, PA - June 2011 to July 2011

Prepared IV admixtures into home care devices

- Called patients to make sure they had the necessary supplies

Pharmacy Intern

Wal-Mart Pharmacy - Fairless Hills, PA - June 2008 to January 2010

Performed data entry on prescriptions

- Filled medications accurately and efficiently
- Communicated with prescribers and insurance companies
