WORK EXPERIENCE

Pharmacist

CVS PHARMACY - Ossining, NY - November 2010 to Present

Manage pharmacy technicians and other team members at a highly rated district store to ensure an efficiently operating pharmacy.

- * Verify prescription accuracy and provide pharmaceutical guidance to patients concerning prescriptions, over the counter medications, and drug interactions.
- * Conduct inventory management on a regular basis and resolve any third party payment issues.
- * Collaborate with physicians to ensure patients receive accurate and quality care, calling patients to confirm they are correctly adhering to medication directions if they fail to pick up their refills.
- * Administer seasonal flu shots and compound prescriptions for patients.

Pharmacy Intern

RITE AID PHARMACY - Chesterbrook, PA - July 2009 to January 2010

Supported staff pharmacist in dispensing and filling prescriptions.

- * Provided pharmaceutical guidance and advice to patients and addressed physician inquiries.
- * Transcribed doctor orders from Rite Aid's voicemail.
- * Communicated with medical physicians for prescription requests and prior authorization reminders.

EDUCATION

Doctor of Pharmacy

The State University of New Jersey - Piscataway, NJ

2004 to 2010
