Philadelphia, PA - Email me on Indeed: [indeed.com/r/Charlitta-Keaton/3f01d0de08b7d07e](https://www.indeed.com/r/Charlitta-Keaton/3f01d0de08b7d07e)

I am very friendly person, with a high ambition and a welcoming personality, a team player who is always eager to learn. I love to work in an upbeat positive environment that would allow me to utilize the skills I have already obtain and that will offer me the opportunity for advancement.

WORK EXPERIENCE

housekeeping

NHS - 2012 to 2012

human services, September 2012 October 201

My job duties included but not limited to ADL, bathing dressing, feeding and meal preparation and feeding assistance, grooming, medication assistance, experience in performing glucose checks, administer insulin injections,

housekeeping, escorting residents to and from appointments, social events. Draining and changing gastrostomy

tubes, colostomy bags, urinary catheters, hoyer lift, stand and assist. I've provided an array of services to client dealing with multiple health conditions such as adolescents and adults clients who are mental disabled, dementia

Alzheimer, strokes and mini strokes, heart attack, paralyzed consumers with different affected limbs, multiple sclerosis, rheumatoid arthritis, autism, asthma, diabetic, Parkinson disease hospice, respite care. I was also responsible for daily documenting of all proper and necessary paperwork according to company policy, took inventory, performed monthly house meetings, all the while providing emotionally, physical, and mental support. But

most of all there's companionship, which to me is one of the greatest rewards of my job.
