Philadelphia, PA - Email me on Indeed: [indeed.com/r/Mikala-Johnson/eb5fdbdfca2893de](https://www.indeed.com/r/Mikala-Johnson/eb5fdbdfca2893de)

Licensed, enthusiastic pharmacy student with a Bachelor's of Science in Pharmaceutical and Healthcare Studies seeking a challenging pharmacy position to provide a willing employer with a dedicated team player, who will implement and apply knowledge and experience gained from pharmacy school and a variety of pharmacy-related work experiences.

Authorized to work in the US for any employer

WORK EXPERIENCE

Student Pharmacist

ShopRite - August 2013 to Present

Camden Community Collaborative Practice - Camden, NJ

Specialized student pharmacist in the Inter-professional Education Experience program, required to work with other

pharmacy and medical school students of Cooper Medical School every other week at the Camden Community Collaborative Practice (CCCP) throughout the school year. Devotes 3 to 4 hours every other week at the clinic and undertakes various responsibilities. May work with patient, individually, by writing up medical histories, performing

physical examines, and counseling patients on their disease states and medications under the supervision of a medical

resident. Guarantees that patients are provided with affordable or free medication and ensure that patients are coordinated with specific needs beyond the clinic, such as dentists or counselors.

Cashier/Pharmacy Technician Trainee

ShopRite - Delran, NJ - May 2013 to Present

Current responsibilities at ShopRite have been modified since transition from cashier to a pharmacy technician trainee.

Must continue to be knowledgeable of product information and special sales offered by ShopRite, as well as provide

courteous customer service to customers at the drop-off and pick-up windows. Assist and support the pharmacist by entering new patient profiles and prescription into the McKesson system, retrieve, count, and measure appropriate

medications for a specific prescription while adding corresponding cautionary and auxiliary, and direct patient counseling questions to the available pharmacist. Required to maintain proper inventory levels by removing outdated

drugs, ordering and receiving medications, and frequently cycle counting inventory. Obligated to consistently uphold

proper pharmacy and general safety standards and procedures.

Student Pharmacist

ShopRite - August 2014 to May 2015

Walgreens - Lindenwold, NJ

Pharmacy student required to gain introductory pharmacy practice experience in the field of community pharmacy throughout the school year at the Walgreens pharmacy of Lindenwold, NJ. Accountable for

understanding how to manage a pharmacy by shadowing the pharmacy manager, learning the basics of the pharmacy computer system,
resolving third party conflicts, assisting customers needing medication counseling, performing a one-on-one medication
therapy management session with a patient, transcribing medication orders and refills from physicians, helping the pharmacy staff with prescription orders, when necessary.

Teaching Assistant

ShopRite - August 2013 to May 2014

University of the Sciences Department of Chemistry and Biochemistry - Philadelphia, PA

Accurately completed grading of post labs for two general chemistry lab courses within a reasonable, allotted amount of time. Certified that students provided authentic work and adhered to the academic integrity standards. Provided students with feedback on grades and possible ways to improve lab grades. Reported any concerns of students to supervisor.

Store Associate

Defense Agency Commissary - Fort Dix, NJ - April 2011 to June 2011

Provided friendly customer service and identified customer needs. Managed inventory by organizing and restocking
shelves on the store floor. Provided customers with product information, special sales, prompt service, and a comfortable shopping experience.

EDUCATION

Bachelors of Science in Pharmaceutical and Healthcare Studies

University of the Sciences in Philadelphia - Philadelphia, PA
2015
