Philadelphia, PA - Email me on Indeed: [indeed.com/r/Kevin-Lam/7ca0332f4480b61f](https://www.indeed.com/r/Kevin-Lam/7ca0332f4480b61f)

To obtain a position as a Pharmacist with a well established organization that will offer opportunities for professional development and exposure to a diverse client population.

### WORK EXPERIENCE

#### Pharmacist

Rite-Aid Pharmacy - Philadelphia, PA - June 2013 to Present

Directs and coordinates all activities in the pharmacy during designated shift including purchasing, receiving, storing, and dispensing of medications; supervises inventory control to meet all facility and patients' needs.

- Ensures prescription directions for use, dose, medication interactions, therapeutic duplications or overlaps, allergy information, age specific dosage, and other pertinent data are appropriate for individual patients.
- Effectively process medication orders by using computerized order entry and extraction of pertinent drug data from prescription orders and/or through patient interview.
- Compliance with federal and state regulations, professional guidelines and code of ethics for the profession of pharmacy, and provision of pharmacy services.
- Counsel and educate patients regarding appropriate use of medications.
- Collaborates with internal staff to provide staff support, including assistance with problem solving and recommendations for clients serviced.

#### Pharmacy Technician

Tang's Pharmacy - Philadelphia, PA - May 2008 to June 2013

Assisted Pharmacist in the overall dispensing and distribution functions.

- Performed computer entry of prescription information including but not limited to: patient search, prescriber search, drug selection, prescription interpretation & entry, insurance billing and basic problem resolution.
- Reviewed prescription information required to process new and refill prescriptions, including refill authorization from doctor offices where permitted by law and regulations, under the supervision of a Pharmacist.
- Processed medication exchanges, pick-ups and deliveries.
- Generated and applied prescription labels to medication containers where permitted by state law and regulations.
- Participated in inventory management processes including: order review, inventory returns, restocking shelves, and physical inventory preparation.
- Completed various technical and non-technical duties related to the acquisition, storage and dispensing of medications.
