

David Knapp

PharmD

Newtown, PA - Email me on Indeed: [indeed.com/r/David-Knapp/6c183eb1a1a8f5fc](https://www.indeed.com/r/David-Knapp/6c183eb1a1a8f5fc)

Searching for full-time position as either a medical-information specialist, drug-safety associate, or inside pharmacist communicator.

Authorized to work in the US for any employer

WORK EXPERIENCE

Staff Pharmacist

Express Scripts - Trevese, PA - November 2002 to December 2014

Verified prescriptions input by technicians to ensure accuracy and appropriate therapy. Contacted physicians to clarify incomplete and illegible prescriptions and to ensure appropriate dosing. Worked in the drug use review department including refill too soon and patient profiling. Checked the final product for accurate filling.

Medical Writer

Scientific Connexions - Yardley, PA - June 2001 to November 2002

Responsible for technical writing and project management. Completed numerous abstracts, meeting posters, research articles, and drug monographs. Primary therapeutic areas included dermatology, neurology, oncology, and hematology. Prepared/designed clinical study articles to be published for physicians.

Pharmacy Technician

Chester County Hospital - West Chester, PA - May 1997 to March 2001

Prepared sterile dosage forms such as IV piggybacks and total parenteral nutrition bags using aseptic technique. Filled prescriptions and checked narcotic inventory.

Professional Licensure:

Registered Pharmacist, State of Pennsylvania

EDUCATION

Doctor of Pharmacy

University of the Sciences in Philadelphia

May 2001

BS in Psychology, Minor in Business

Pennsylvania State University - State College, PA

1992 to 1995

SKILLS

Completed Philadelphia's Broad Street Run three times and New York Marathon once.
