WORK EXPERIENCE

Staff Pharmacist

Horsham Square Pharmacy at Ann's Choice - Warminster, PA - April 2012 to August 2014

Retail pharmacy setting located within a retirement/assisted living community. Responsible for maintaining daily operations to service the residents and skilled nursing patients. Worked adjunctively with onsite physicians and nurses on proper treatment plans including medication and adjunctive therapies. Also provided immunizations when prescribed or requested by the patient.

In addition; worked to maintain 4 outside nursing home facilities' daily and monthly medication orders via fax and/or telephone. All

orders were blister packed as required by state regulations. Assisted nurses in the facilities with medication, non-medication, wound care, DME and any other pertinent patient care related questions.

Serviced Project Transition, 4 outside halfway home facilities. Provided daily and weekly medication in specific Dispill packaging system.

Worked closely with their physicians and counselors to coordinate proper medication treatment plans. Also provided bi-weekly immunizations to a group of their patients.

Pharmacy Manager

Rite Aid Pharmacy - Newtown, PA - January 2008 to April 2012

Responsible for maintaining daily operations required to sustain a pharmacy filling on average 3,500 prescriptions weekly.

In charge of 2 fellow pharmacists as well as 12 employees. Provided extensive patient counseling. Filled and verified

prescriptions, compounded prescriptions and maintained store inventory to meet company standards.

Immunized over 500 patients with Flu vaccine and over 300 patients with Zostavax vaccine during 2012 & 2013.

Pharmacist

Brooks/Eckerd Pharmacy Yardley - Richboro, PA - April 2004 to January 2008

Staff pharmacist, responsible for filling and verifying prescriptions, as well as providing extensive patient counseling.

Jeans Hospital (pharmacy school rotations) Philadelphia, PA

Intern for 12 weeks on two separate occasions. Assisted with patient monitoring, including drug therapies and stats. Made recommendations for changes in drug therapy based on current literature and/or hospital protocol. Participated on codes and rounds.

Pharmacy Intern

Walgreens Pharmacy - Warminster, PA - August 2002 to March 2004

Responsible for taking prescription orders and entering and filling prescriptions. Gained further patient counseling experience.

Pharmacy Technician

Horsham Square Pharmacy - Horsham, PA - November 1997 to December 2001

Responsible for taking prescription orders, interacting with doctors and nurses and providing customer care in applicable situations.

Worked with various unit dose-packaging systems for nursing homes. Compounding experience with Flavor Rx (TM) flavoring system for liquid medications and experience compounding prescriptions under supervision. Responsible for drug ordering using systems from Kinray, McKesson, Neuman and Bergen Brunswick.
