OBJECTIVE:

To obtain a position that will provide the opportunity to positively contribute to the growth and efficiency of an organization by utilizing my skills and experience in the area of facility maintenance.

SUMMARY OF SKILLS:

Over 20 years' hands-on and managerial experience in the varied areas of carpentry, electric, plumbing, HVAC, appliance repair, demolition and renovation, roofing, masonry and landscaping.

WORK EXPERIENCE:

2000-Present Omni Hotel – Philadelphia, PA

Engineering Department Supervisor

Oversee maintenance and repair of all aspects of a 150-guest room/suite, four-diamond luxury hotel property to include but not exclusive of supervising staff, ensuring ongoing work-order/response-time efficiency, providing training and mentoring, and liaising with and management of vendors.

1998-2000 Germantown YMCA – Philadelphia, PA

Maintenance Supervisor

Supervised and provided maintenance and repair services for facility to include supervision of staff, management of vendors, appliance/equipment repair, and heating/plumbing/electrical systems upkeep and management.

1995-1998 Smith Home Remodeling – Philadelphia, PA

Contractor

Residential demolition and renovation services.

EDUCATION: Orleans Technical Institute – Philadelphia, PA

Diploma: Building Maintenance
