### WORK EXPERIENCE

#### Clinical Pharmacist- Pharmacist Staff

Camp Lejeune Naval Hospital - 2010 to Present

Formal job activities include performing daily clinical activities: IV to PO switches, renal dosing, Aminoglycoside monitoring, anticoagulation monitoring, IV room preparation, accurately checking and filling outpatient Emergency Room prescriptions, patient counseling, compounding, and managing and coaching technician staff and pharmacy students. I also have extensive neonatal unit training both in dosing and IV preparation. The primary objective is to provide patient care that optimizes medication therapy and promotes health, wellness, and disease prevention.

#### Clinical Pharmacist- Pharmacist Staff

Salem Memorial Hospital - 2008 to 2010

Formal job activities include performing daily clinical activities (IV to PO switches, renal dosing, Aminoglycoside monitoring, anticoagulation monitoring, and Florastor addition for appropriate antibiotics), consulting charts quarterly for the hospital's renal dialysis patients, educating all inpatients who are on coumadin, smoking cessation education for hospital employees, IV room preparation, drug utilization reviews, accurately checking and filling prescriptions, and managing and coaching technician staff.

#### Staff Pharmacist- part time

Walmart Pharmacy - 2005 to 2009

Formal job activities include performing daily clinical activities: IV to PO switches, renal dosing, Aminoglycoside monitoring, anticoagulation monitoring, and Florastor addition for appropriate antibiotics, consulting charts quarterly for the hospital's renal dialysis patients, educating all inpatients who were prescribed Coumadin on discharge, smoking cessation education for hospital employees, IV room preparation, drug utilization reviews, accurately checking and filling prescriptions, and managing and coaching technician staff and pharmacy students.
