Wilmington, DE - Email me on Indeed: [indeed.com/r/Pamela-Sing/0ad2227750a27da3](https://www.indeed.com/r/Pamela-Sing/0ad2227750a27da3)

Provide the public with safe and knowledgeable pharmacy care by leveraging my background in pharmaceutical knowledge, excellent communication skills, and leadership.

## WORK EXPERIENCE

### Staff Pharmacist

CVS Health - Woodlyn, PA - 2011 to Present

- Independently responsible for providing medications, counseling, and vaccinating the community, in a safe and accurate manner
- Ensure the accuracy of all prescriptions and vaccines filled by completing Drug Utilization Review and Final Quality Assurance
- Conduct Medication Therapy Management while communicating with patients and providers to increase medication efficacy and decrease health care costs
- Advise and administer the recommended vaccines according to the CDC guidelines and individualized patient history
- Provide exceptional customer service by assisting customers with healthcare and medical-related counseling, building and maintaining customer trust and loyalty for over five years.
- Prioritize pharmacy management by managing up to ten pharmacy technicians, inventory management, consistently increasing script growth and minimizing losses.
- Licensed Pharmacist preceptor to pharmacy school students, providing them with training and guidance throughout their studies

### Pharmacy Intern

eXcelleRX Hospice Pharmacia - 2009 to 2011

Assisted pharmacist in initiating patient profiles and demographics, complete medication history, diagnosis codes, and facilitating delivery for critically-ill home care, and facility care patients

- Communicated with hospice nurses and providers nationwide in regards to patient medications and history

## EDUCATION

### Doctor of Pharmacy in Pharm. D
