WORK EXPERIENCE

Clinical Staff Pharmacist

Abington Memorial Hospital - August 2012 to Present

Perform meticulous medication order review and verification in the collaborative, fast-paced environment of a 650-bed teaching hospital, make dosing and therapeutic recommendations to resident physicians, participate in numerous pharmacy-managed clinical services, and oversee and aid in the accurate and timely dispensing of medications, ensuring patient safety and optimizing patient care

Pharmacist

HealthSouth Nittany Valley Rehabilitation Hospital - August 2007 to July 2012

Executed thorough medication order review, entry, and filling, provided anti-coagulation management, performed dosing consults for narrow therapeutic index medications, fielded nursing and physician questions while on-site and on-call, provided disease state management education, restocked Med-Dispense, and worked with the pharmacy team to complete necessary paperwork and promote cost-efficiency

Pharmacist

Giant/Ahold - October 2005 to February 2008

per-diem)

Pharmacist

Weis Markets - May 2004 to September 2005

full-time to per-diem)

Tasks included cautiously and courteously filling prescriptions, maintaining a rapport with customers, fielding drug information questions, and completing administrative paperwork

Pharmacist

The Children's Hospital of Philadelphia - Philadelphia, PA - May 2003 to April 2004

Job responsibilities included complete review of medication orders, analysis and preparation of total parenteral nutrition, and respectful communication within the healthcare team to achieve optimal patient outcomes in inpatient, outpatient, and oncology clinic settings
