WORK EXPERIENCE

Volunteer Pharmacist

Community Volunteers In Medicine - West Chester, PA - September 2015 to Present

Responsibilities

- Prepare and dispense medications for patients who cannot afford healthcare. During this process patients are counseled and all questions are answered.
- Perform medication therapy management (MTM) with patients who require a high volume of medications
- Demonstrate proper use of medical devices and medical supplies to applicable patients.

Staff Pharmacist

Rite Aid Pharmacy - Ambler, PA - June 2014 to June 2015

Responsibilities

- Manage a high volume of patient accounts. Consult with hundreds of physicians and patients to fill prescriptions, review side effects, discuss drug interactions and resolve medication problems.
- Regularly complete paperwork and enter prescription and insurance billing information into patient profiles.
- Provide critical information and advice to patients regarding possible drug interactions, side effects, dosage and proper medication storage.
- Consistently uphold proper pharmacy procedures and standards and maintain patient confidentiality.
- Safely administer immunizations.

Pharmacy Internship

Janssen Scientific Affairs, LLC - Titusville, NJ - February 2014 to March 2014

Preceptor: Tricia Lopena, PharmD

- Updated clinical response letters for Ultram®, Invega®, Invega Sustenna®, Intelence® and Edurant®
- Attended meetings and helped review promotional materials for Invega Sustenna®
- Interviewed PharmDs throughout the company in various departments including HECOR, drug development, regulatory and clinical trial development
- Attended a Professional Development Day (PDD) for Rutgers fellows

Pharmacy Intern

CVS Pharmacy - Richboro, PA - May 2010 to May 2013

Responsibilities included dispensing various medications, receiving and interpreting prescriptions, processing insurance claims, compounding prescriptions and counseling patients on their medications.
