WORK EXPERIENCE

Generalist/ stocker

Victoria's Secret - Philadelphia, PA - January 2016 to Present

Responsibilities

I start my shift by getting a warm up; finding out what is new promotions we having in the store. If we are busy get to the register because the customers and store performance comes first. If we are not busy put merchandise back in their correct places. Then I would give customer the best experience, try to sale extra product as the day goes along, and clean the store at end of my shift.

Accomplishments

This job has made me professional, humble, loving and passionate about helping other. I learned how to give people a satisfying experience, so they will come back. The job taught me how to produces sales in a timely fashion. I have learned how to sale products and persuade any type of person.

Skills Used

I used my ability to work under pressure, communication skills and my great personality.

House keeper

Nafeesah's cleaning company - Philadelphia, PA - September 2015 to Present
