WORK EXPERIENCE

Pharmacist

Wal-Mart - Philadelphia, PA - August 2007 to Present

Manage all aspects of daily pharmacy workflow and dispensing of medications and vaccinations

- Consult with physicians and patients with regard to medication dosage, drug interactions, medical equipment, disease management and potential side effects of prescription and over-the-counter medications
- Track and build the pharmacy business from a sales and profit perspective
- Routinely achieve and exceed corporate performance goals for customer expectations and wait-time
- Pride myself in arriving at least one hour early to every shift to prepare workload for the day
- Maintain accurate patient records, dosing information and directions for use regarding medications
- Interact with HMOs and other insurance providers concerning billing/reimbursement issues
- Keep abreast of new developments within the pharmaceutical industry
- Recruit, train and motivate pharmacy staff
- To appropriate patients, administer vaccinations to promote healthy living
