Licensed Pharmacist in Pennsylvania, New Jersey and Delaware, with more than 29 years experience in providing superior pharmacy services in retail setting. Compounded medications according to professional standards and practices. Licensed immunizer in Pennsylvania and New Jersey. Highly developed problem solving skills and excellent computer skills. Thorough knowledge of compound drug distribution systems, drug utilization evaluation, emerging medications, inventory management and regulations governing pharmacy services. Seen as an effective liaison between healthcare team and the community to improve drug usage and therapeutic outcomes.

WORK EXPERIENCE

Supervising Pharmacist

Greater Atlantic and Pacific Tea Company - March 1993 to Present

Managed staff of 7 including 2 other pharmacists at fulfilling more than 1000 prescriptions weekly. Consulted with physicians and patients with regard to medication dosage, drug interactions, disease management and potential side effects of prescription and OTC medications. Maintained proper immunization protocols.

Coordinated the activities of pharmacists and technicians in the preparation, labeling and delivery of medications in accordance with physician prescriptions, to ensure compliance with federal, state and local laws and regulations.

Maintained proper inventory levels and minimized out of stock items. Resolved problems with insurance providers concerning billing/reimbursement issues. Improved morale of coworkers leading by example and using humor to diffuse stressful situations.
