### WORK EXPERIENCE

#### Pharmacist

Caremark Southern New Jersey Region - 1987 to Present

I have held a number of positions over my years with CVS ranging from staff pharmacist to District Pharmacy Scheduler. Highlights would include Pharmacist-in-Charge of high volume store (4500 scripts per week) employing six pharmacists and 20 technicians. As scheduler I was responsible for ensuring pharmacist staffing at the district level encompassing 20 stores. Team Leader of district rollouts of new perpetual inventory system and work flow systems. Currently hold a 41 hour per week, full-time Staff Pharmacist position; and, I am an Immunizing Pharmacist for a medium volume location.

### EDUCATION

#### BS in Pharmacy

State University of New Jersey

1987
