

Susan A. Cruciani-Curry, R.Ph.

Pharmacist--experience in retail and hospital pharmacy. I have continually worked in my profession since graduating, keeping up-to-date with the changes in pharmacy.

Collegeville, PA - Email me on Indeed: [indeed.com/r/b9ef6fc4937a96f1](https://www.indeed.com/r/b9ef6fc4937a96f1)

I have worked in various settings of retail pharmacy for nearly thirty years. I feel that good communication (expressing and listening) between a pharmacist and a customer is vital to a positive outcome in healthcare. I would now like to help the new generation of pharmacists to effectively relate to the growing population as they encounter health issues, treatments, and preventative care.
