

Frank Devine

Staff Pharmacist

Maple Shade, NJ - Email me on Indeed: [indeed.com/r/Frank-Devine/2761f6ec24a9bd3f](https://www.indeed.com/r/Frank-Devine/2761f6ec24a9bd3f)

I am seeking a position as a pharmacist that will be mutually rewarding to both me and the company for which I work. My experience in a wide variety of pharmacy settings, accompanied by a concomitant level of responsibilities is a plus; I believe it will serve all involved in a productive work relationship.

WORK EXPERIENCE

Staff Pharmacist

Nuclear Diagnostic Products, Inc - Cherry Hill, NJ - 2007 to 2014

Responsible for compounding and oversight in the production, dosing and delivery of a variety of radioactive isotopes for patient imaging. Our company serviced many large hospitals and imaging centers in New Jersey, Pennsylvania, and Delaware.

Staff Pharmacist

IBA Molecular - Somerset, NJ - 2004 to 2007

Responsible for oversight of the production, dosing, and delivery of 18-FDG to a large number of accounts in northern New Jersey, New York City and Pennsylvania.

Staff Pharmacist

Genuardi's Markets - Marlton, NJ - 2001 to 2004

Responsible for accurate interpretation and filling of prescription orders, inventory management, physician calls when appropriate, and patient consultation.

Pharmacist

Aetna U.S. Healthcare - Blue Bell, PA - 1997 to 2001

Also charged with education of physicians, pharmacists and plan members regarding clinical pharmacy programs in the implementation phase. Took active role in educating support staff about various step-therapy and prior authorization initiatives regarding appropriate and cost effective drug therapies.

EDUCATION

Bachelor of Science in Pharmacy

Temple University - Philadelphia, PA
1984 to 1989

Bachelors in Public Health

Temple University - Philadelphia, PA
1981
