Seeking full time permanent employment as a staff/chief pharmacist in a retail environment where my years of experience and positive growth will benefit my employer and community.

WORK EXPERIENCE

Supervising Pharmacist

Pathmark Pharmacy - 2006 to Present

Supervised all new procedures, increased Rx volume by 24%.

Supervising Pharmacist

Pathmark Pharmacy - 2005 to 2005

2005

Returned to work full time while caring for an ill infant. Applied for a transfer to be close to Children's Hospital Supervised Pharmacy and implemented ERP to store worked at this location for 4 months and transfer was granted.

Supervisor

Pathmark Pharmacy - 2001 to 2005

Opened a new Pharmacy, started a new inventory, reached out to surrounding health centers, hospitals and neighboring Physicians' offices to make them aware of our different services we can provide. In one year volume was that rivaling my last store at Oregon Avenue Pharmacy experiencing positive growth every year. I went on maternity leave which was extended to long term medical leave to care for my sick infant.

Staff Pharmacist

Pathmark Pharmacy - 1998 to 2001

Transferred to different location to help increase Rx volume by implementing new procedures Patient Care Procedures, ERP Sponsored Health Fairs with various prescription plans and local health care clinics. Increased total Rx volume by 23% the first year. Worked side by side with Supervisor to experience responsibilities and duties of the Chief Pharmacist.

Staff Pharmacist

Pathmark Pharmacy - 1996 to 1998
