Provide outstanding pharmaceutical care and service as an outpatient pharmacist.

WORK EXPERIENCE

Army Outpatient Contract Pharmacist

PT 20hrs - Fort Sam Houston, TX - February 2011 to June 2012

Contract with Federal Staffing Resources, Baltimore, MD

Contract pharmacist working with the Department of the Army at a busy satellite outpatient pharmacy. Performed

multiple functions as a licensed pharmacist in support of the dispensing of over 3,000 prescriptions daily for Department of Defense military patients and beneficiaries.

Mail Order At Home Pharmacist - FT 30hrs/wk

Express Scripts, Inc - Trevose, PA - September 2004 to June 2009

Verified prescriptions from home by viewing data entry orders after logging on to the Express Scripts, Inc server.

Averaged 65 prescription verifications per hour with over 99.9% accuracy. Ensured all prescription orders had the correct patient name, drug name, strength, directions for use, quantity, refills, prescriber information, and patient

address. Adhered to all Federal and State pharmacy laws.

Civil Service pharmacist

Air Force Ambulatory Care Pharmacist - Travis AFB, CA - September 2001 to July 2004

with the Department of the Air Force. Managed anticoagulation therapy for patients enrolled and prescribed warfarin therapy in the David Grant Medical Center's Internal Medicine Clinic. Ensured INR rates were within normal limits and if necessary adjusted medication doses and regimens to meet target INR

goals. Additionally worked as requested in the main outpatient pharmacy and satellite BX pharmacy to verify prescriptions using CHCS and PharmASSIST barcode verification system. ChemoChek certification and Nova Southeastern Patient Physical Assessment certification.

Retail Supervisory and Staff Pharmacist

Rite Aid Pharmacy - Dover, DE - March 1999 to August 2001

Verified medication prescriptions, counseled patients, communicated with doctors, physician assistants, dentists,

nurses, and other pharmacists regarding medication orders. Stocked shelves, performed controlled drug inventories, replenished inventory, ran daily performance reports all while maintaining strict adherence to Federal and State pharmacy laws. Supervised up to three pharmacy technicians and a cashier.

Retail Staff Pharmacist

Shop Rite Pharmacy - Philadelphia, PA - July 1998 to March 1999

Verified medication orders. Counseled patients, intervened when necessary with physicians, nurses, and other health care providers. Performed blood pressure checks and assisted with recommending OTC medications. Ensured the pharmacy adhered to all Federal and State pharmacy laws. Managed inventory, reports, and cash

register.
